What is STOP-DWI?

The Special Traffic Options Program for Driving While Intoxicated was established by New York State Government on July 31, 1981. This law became effective on November 28, 1981 and provided the return of fine money for drinking and driving violations to the counties in which they occurred, provided those counties established a "STOP-DWI" Program.
The Oneida County STOP-DWI Program was established in December 1981.

The purpose of the program is to provide a, "...plan for the coordination of county, town, city and village efforts to reduce alcohol-related traffic injuries and fatalities."

Previous research has indicated that the most effective method of combating drinking and driving is to use the **general deterrence model.** This model gives priority to arresting those who drive while under the influence of alcohol; swift adjudication of individual cases; certain and severe punishment for those convicted, and publicity for the arrest and prosecution efforts.

Key Components of the
Oneida County STOP-DWI Program:
1. Law Enforcement
2. Prosecution
3. Probation
4. Evaluation and Treatment
5. Community Awareness and Education
6. Victim Impact Panels
7. Detection and Enforcement Equipment
8. Compliments of Convicted Drunk Drivers

Your STOP-DWI Program is 100% funded with Oneida County DWI Fines

DWI™ Is it worth it? Oneida County STOP-DWI Program

Theodore "Ted" Moore

Associate Professor Theodore "Ted" Moore was tragically taken from his family, friends, students, and colleagues in December 1996 through the actions of a drunk driver. Ted Moore, a member of MVCC's Mathematics Department from 1981 until his death, was widely known as an individual who cared deeply about his community, his students, his colleagues, and Mohawk Valley Community College. He was quick to volunteer his time, to assist those in need, and to bring people with differences together. At MVCC, he provided invaluable leadership as president of the Mohawk Valley Community College Professional Association. He was an active member of many professional education associations, particularly those related to his beloved discipline of mathematics. In his community, he coached youth baseball and soccer, and officiated in boys' and girls' basketball. He was also dedicated to his wife, Christine, and their children, Derrick and Colleen.

His loss deeply affected his colleagues and students at MVCC, a loss that continues to be felt. The nature of his death elevated concerns about the ongoing problem of drinking and driving.

The theme for this event, "None for the Road," reflects the MVCC community's emphatic opposition to driving while under the influence of alcohol. We choose to honor Ted's memory with this walk/run event and with an MVCC scholarship in his name.

Additionally, each year a portion of the proceeds from the event will be awarded to area agencies whose mission is drug and alcohol abuse prevention and treatment.

We thank you for your support.

Sneaker Angels

As a way to remember Ted Moore and honor his love of running, the Ted Moore Run/Walk Committee has developed the "Sneaker Angel." These Ted Moore "Sneaker Angels" are sold for $2.00 each and help raise additional funds for the Ted Moore Scholarship Fund, as well as various alcohol awareness programs in our community.

Be an angel and help us remember Ted Moore; purchase and proudly display a "Sneaker Angel." For more information please contact: Deanna L. Ferro, Director of Donor and Resource Development (315) 731-5797 or deanna.ferro@mvcc.edu.
