Mohawk Valley Community College

General Education Quick Reference Guide

MVCC General Education

Students in **AAS, AS and AA** degrees must take one course in each of the five MVCC Tier 1 major subject areas as determined by their program. The number of required MVCC Tier 2 courses is prescribed by the degree requirements.

Note: Some courses meet both Tier 1/Tier 2 status, but a course can only be used to fulfill one Tier at a time.

Tier 1 Major Subject Areas	Tier 2 Major Subject Areas
Language (L1) **Humanities (H1)** **Mathematics (M1)** **Natural Science (N1)** **Social Science (S1)**	**Language (L2)** **Humanities (H2)** **Mathematics (M2)** **Natural Science (N2)** **Social Science (S2)** **Computer Science (C2)**

Degree Type	Minimum number GE credit hours	Number Tier 1 courses	Number Tier 2 courses
AAS	**20**	**5**: one from each Tier 1 area	**2**: in the Tier 2 areas
AS	**30**	**5**: one from each Tier 1 area	**5**: from at least 3 different Tier 2 areas
AA	**45**	**5**: one from each Tier 1 area	**10**: from at least 4 different Tier 2 areas

SUNY General Education

Any student graduating with a baccalaureate degree from a SUNY campus must complete a General Education requirement of no fewer than 30 credit hours specifically designed to achieve the student learning outcomes in seven (7) Knowledge and Skill Areas and two Competencies. SUNY advises that community college students wishing to transfer to a four-year SUNY institution should complete these requirements while earning their associate degree. Students who have not fulfilled the requirements at MVCC or received a waiver are eligible to transfer to a four-year SUNY school, but will need to complete the General Education requirements while at the transfer institution. An MVCC student who is planning on transferring to a four-year SUNY campus should fulfill as many of the 30 hours in the seven (7) SUNY Knowledge and Skill Areas as possible. ***In all cases, an MVCC student who meets the five MVCC major subject areas common to Tier 1 will automatically meet five of the SUNY Knowledge and Skill Areas.***

Note: A course may count for a maximum of two SUNY areas, provided one of the areas is not Humanities.

SUNY GE Knowledge and Skill Areas	
The Arts (A)	Mathematics (MA)
American History (AH)	Natural Science (NS)
Basic Communication (BC)	Other World Civilizations (OW)
Foreign Language (FL)	Social Science (SS)
Humanities (HU)	Western Civilization (WC)
SUNY GE Competencies (*no particular course requirement*)	
Critical Thinking (Reasoning)	Information Management

Courses meeting Tier 1/Tier 2 status and the SUNY Knowledge and Skill Areas are displayed on the following tables and are listed in the College Catalog and on the College website.

SUNY General Education

This table applies to students who intend to transfer to a SUNY college or university. Any student graduating with a baccalaureate degree from a SUNY campus must complete a minimum of 30 credit hours in coursework from at least seven of the ten Knowledge and Skill Areas. The seven areas must include Mathematics and Basic Communication.
