

Mohawk Valley Community College
General Education Quick Reference Guide

All AAS, AS, and AA degree programs at MVCC are designed to include a *Core (bolded)* course from each General Education Category. The number of additional general education courses is prescribed by the degree as indicated below. Any student graduating with a baccalaureate degree from a SUNY campus must complete a General Education requirement of no fewer than 30 credit hours specifically designed to achieve the student learning outcomes in seven (7) Knowledge and Skill Areas. SUNY advises that community college students wishing to transfer to a four-year SUNY institution should complete these requirements while earning their associate degree. An MVCC student who is planning on transferring to a four-year SUNY campus should fulfill as many of the 30 hours in the seven (7) SUNY Knowledge and Skill Areas as possible. Students who have not fulfilled the requirements at MVCC, by taking a course or receiving a waiver, are eligible to transfer to a four-year SUNY school, but will need to complete the General Education requirements while at the transfer institution. In all cases, a student who meets the five *Core (bolded)* courses required by the degree will have automatically met five of the SUNY Knowledge and Skill Areas.

Degree Type	Required Hours	Number of General Education Required Hours and Courses	
AAS	20	One <i>Core (bolded)</i> course from each of the 5 Categories	Additional courses needed to meet the minimum number of 20 hours
AS	30	One <i>Core (bolded)</i> course from each of the 5 Categories	Additional courses needed to meet the minimum of 30 hours. The additional courses should be from at least 2 distinct Categories and from at least 2 additional SUNY areas not originally chosen by the <i>Core</i> courses
AA	45	One <i>Core (bolded)</i> course from each of the 5 Categories	Additional courses needed to meet the minimum of 45 hours. The additional courses should be from at least 3 distinct Categories and from at least 2 additional SUNY areas not originally chosen by the <i>Core</i> courses
