Mohawk Valley Community College and the New York State Department of Transportation are pleased to co-host the Fourth Annual NYS DOT Bridge and Culvert Maintenance Expo. We expect to attract between 150-200 attendees in this, the fourth year. The Expo offers live demonstrations, and classroom presentations, of the strategies and materials for the repair and preservation of highway structures.

We hope you can join us at this Expo, which will be held on May 20-21, 2014 at Mohawk Valley Community College in Utica, NY. Check out the new format with more demonstrations this year. **Engineers may earn professional development hours for the two days, for an additional fee.** Lunches and snacks prepared by MVCC's culinary staff are included in the registration fee.

Conference Workshop Registration Fees

	Day One Only
With PDHs*	$80
