**You
Belong.**

WHERE YOU BELONG.

At Mohawk Valley Community College, we see your potential and are committed to helping you reach it.

Here, you'll find opportunities for active learning to prepare you for what's next — whether that's transferring to a four-year college or launching your career. And our powerful support system of faculty, advisors, and mentors is here for you every step of the way.

No matter where you're from, you'll find a welcoming campus community that feels like home.

Find your passion.

Discover what drives you and where it can take you.

- Explore career options and align your education with your goals.
- Gain real-world experience and build your professional network through internships, apprenticeships, and other applied learning opportunities.

Find your path.

Shape your future with programs that fit your goals.

- Unlock your potential with programs that jump-start your career or pave the way for a smooth transfer to a four-year college.
- Design your learning experience with flexible options in course scheduling and modes of delivery, from in person to online and hybrid.

Find your people.

Build connections that last – in the classroom and beyond.

- Learn in small classes with instructors who bring years of industry experience to the table.
- Work closely with your student support advisor to create an academic plan just for you.

Find your voice.

Make the most of your college experience.

- Get involved – join student clubs, play intramural sports, and participate in campus events.
- Grow your leadership skills and boost your resume while connecting with students who share your interests.

ACADEMICS

Hands-on learning for your transfer and career goals.

Explore program options.

Choose from 90+ programs in a variety of fields — including engineering, healthcare, education, business, arts, technology, and trades. Two-year degrees, one-year certificates, and shorter-term microcredentials are available.

Learn your way.

Create a schedule that fits your life with flexible options. Choose the format that works best for how you learn — in person, online, or a mix of both.

Chart your course.

Not sure what you want to do yet? That's OK! Our Career Development Center offers tools and guidance to help you explore your interests and match them with real career opportunities.

Learn from the pros.

Our faculty bring real-world experience to every class. They've worked in the industries they teach and are passionate about helping you succeed in the classroom and in your future career.

CAREER

Get the skills. Get the job.

Ready when you are.

Choose from one- or two-year programs that lead directly to in-demand careers.

Or build your skills even faster with stackable microcredentials.

Explore what fits your goals.

Use Career Coach to discover majors and career paths based on your interests:
mvcc.edu/careercoach

Test-drive your career.

Apply what you learn in class to real-world settings through internships and other applied learning opportunities. You'll earn credit, build your resume, and get hands-on experience in your field.

Stand out to employers.

Sharpen your resume, develop your interview skills, and learn how to tell your story with confidence — all with the help of MVCC's career experts.

Build your network.

Connect with industry professionals and meet employers face-to-face at career fairs and networking events held every semester.

Our FastTrack programs provide focused, hands-on training for career acceleration.

MVCC is SUNY's lead institution for advanced manufacturing apprenticeships.

Microcredentials are course bundles that give you a competitive edge and can count toward a full degree or certificate.

AFFORDABLE EDUCATION

**College you can afford.
A future you deserve.**

At just over \$5,000 per year, MVCC has one of the lowest tuition rates in New York State, making it easier to earn your degree without piling on student loan debt.

Start here, save big.

By completing your associate degree at MVCC and then transferring to a four-year college or university, you could save more than \$150,000 on the cost of a bachelor's degree (based on full-time, in-state tuition).

See for yourself!
