## <u>SECTION ONE</u> BOARD OF TRUSTEES – BY LAWS

## I.9 <u>Legal Counsel</u>

The Oneida County Attorney is charged with providing legal counsel and services to Oneida County. Since Mohawk Valley Community College is sponsored by Oneida County and, therefore, constitutes an agency of the County, the County Attorney will provide all legal services unless a conflict of interest exists, and counsel on behalf of the College, unless clear benefit will be provided by turning to outside counsel. All such use of outside counsel must receive approval by the Board of Trustees.
