Recording Agreement MVCC Disability Office

To the Professor: Students with disabilities who are unable to take or read notes may have the right to record class lectures pursuant to Part 84.44 of Section 504 of the Rehabilitation Act of 1973. Permission to record lectures is given when a student presents documentation that shows that this is a legitimate disability-related need and when the student agrees to the following:

To the Student:	
I.	, a student in,
taught by	at Mohawk Valley Community College (MVCC)
•	d in the class named above specifically and solely to assist and all experience and acquisition of course material, having no other than good intentions.
those recordings, nor will I share instructor. These recordings/trains way against the faculty men are recorded as part of the class	the recordings of the lectures or transcripts produced from the recordings/transcripts with anyone other than my inscripts are for my personal study only and will not be used in inber, other lecturers, or students whose classroom comments a activity. Any information obtained about patients, counseling kept strictly confidential and must not be discussed or shared ances
lectures. I am aware that all infounder federal copyright laws and	I will erase all recordings and destroy all transcripts of class ormation contained in recorded lectures/transcripts is protected d may not be published or quoted without the express consenting proper identity and credit to the lecturer.
	hat I have read and understand the above policy and will abide ectures or transcripts while enrolled as a student at MVCC.
