TOPIC	DISCUSSION	DECISION
<p><b>Credit for Life Experience</b></p>	<p>Cheryl Plescia stated that the committee has been on this topic for a very long time and would like to bring closure to this soon. Cheryl states that Mike Henningsen and Rosemary Spetka have the last draft version of credit for Experiential Learning</p> <p>Steve Frisbee would like to see a final version.</p>	<p>Mike Henningsen will send the draft to Rosemary Spetka, so that she may send it to Cheryl.</p> <p>Steve will send a copy of all courses given to Maryrose where as a student has applied for Credit for Life Experience.</p> <p>Mike Henningsen will acquire a guideline for submission of portfolio for submission to student handbook.</p>
<p><b>Small group for Credit for Life Experience</b></p>	<p>Jennifer DeWeerth stated that we need a smaller group for the Credit for Life Experience.</p>	<p>Mike Henningsen has agreed to do this with Rosemary Spetka and one more person, as a subcommittee. Jack Susenburger has agreed to be on this subcommittee</p>

1.		<p>and will bring and will bring an electric copy for the next meeting. Mike will send information via email so we can vote on the draft (CLEP)</p> <p>Steve will find out the correct time frame for student handbook.</p>
<b>Credit Cap</b>	<p>Mike Henningsen handed out research on credits accepted at other colleges. As our credits keep going up we may need a policy to cap them. Maryrose Eannace stated that it is not just the number of credits accepted but rather the level as well. Many majors take longer than 4 years to graduate. Maryrose Eannace states that AAS and AS degrees should be differentiated between the two and the credits should be distributed as such.</p>	No decision
