MOHAWK VALLEY COMMUNITY COLLEGE

2018 Jumpstart Bridge Program—July 9—August 11, 2018

MVCC Summer Jumpstart Program Rules and Regulations

MVCC's five-week residential Jumpstart program provides participants the following at no-cost:

- Tuition for four (4) credit hours of coursework
- Extensive tutoring and other student supports
- Necessary books and supplies
- Non-college credit critical skills workshops
- Room and board for the duration of the program
- Participant stipend of up to \$550

In addition to following the regulations of MVCC's Dormitory Corporation and those outlined in MVCC's Student Handbook, students participating in the Jumpstart Program are expected to adhere to the following:

A. Classes

Jumpstart students will be registered for four (4) college credit hours and for non-credit critical skills workshops prior to moving into the dormitory for the summer. Classes will meet daily for five weeks. Class attendance and completion of all assignments is necessary to remain in the program. Students who have more than three unexcused absences from class will be asked to leave the program. Participants' stipends will be decreased by \$50 per missed class including excused absences.

The Jumpstart program will purchase textbooks and all class materials. Students are responsible for bringing these materials to class daily and to be punctual for instruction. Participants' stipends will be decreased by \$25 per class tardy.

B. Pass/Fail

Every student must pass their classes with a "C" or better. All students receiving below average marks (D--less than acceptable; N—no grade; F--failing grade; or I—incomplete) will receive a reduced stipend amount.

C. Tutoring/Supplemental Instruction

Tutoring and supplemental instruction will be mandatory for all Jumpstart students. Jumpstart students will attend this additional instruction Monday through Friday. These times are included in the daily schedule.

D. Curfew

An adequate amount of rest is needed to function well in class and at work. Problems arise as a result of inadequate rest (i.e. absence or tardiness to class, sleeping in class, inability to fully participate, etc.) Therefore, a curfew 11:00 pm will be expected.
