- A.) Social Science (choose one): AN101, GE101, PS101, PY101, or SO101
 B.) Restricted elective (choose three): BI141, BI142, BI201, CH246, ES161, GL101, MA253, MA260, PH263

Poly recommends students take BI 141 & BI 142 as two of their restricted electives. If students are interested in health care or medical school programs, Poly suggests they also take BI 201.

Additional required courses completed at MVCC prior to Poly open up more electives that can be used to complete a minor or pre-graduate school requirements.
