MVCC
MOHAWK VALLEY COMMUNITY COLLEGE

Dear Open House Registrant,

We're excited you'll be attending Mohawk Valley Community College's Fall Open House this Friday, Nov. 13, 2026, in the Jorgensen Athletic/Event Center at our Utica Campus!

We look forward to having you and your family/friends on campus with us. Our Open House welcome packet is designed to outline the activities we have planned for your visit, provide you with directions to campus, and provide a preview of the academic programs we offer.

Our Academic & Student Affairs Showcase will allow you to talk directly with faculty and staff about academic programs and services offered by the College. All our academic schools will be offering demonstrations during the day, and our Athletics Department will be available to meet with prospective student-athletes. Campus tours will provide a general overview of our Utica Campus, and Residence Life Sessions will include a tour of the residence halls. Students from our academic departments will take you on tours of our hands-on, program-specific classrooms and labs. Please visit the Learning Commons table to find out about the free tutoring services we offer to all MVCC students.

Please note that Open House will take place from 10 a.m. to 1 p.m. You are welcome to check in any time during that time frame. We do have specific presentations taking place, so please be sure to read the rest of this document for information. If you completed our free application at www.mvcc.edu/apply and would like to bring an official copy of your sealed high school transcripts, our Admissions team will accept them in their office or at the Admissions table during the Academic & Student Affairs Showcase.

The majority of Open House will be held in the Jorgensen Athletic/Event Center. Please dress appropriately for the weather and bring comfortable shoes if you plan to take the campus tour or visit the residence halls.

We look forward to meeting you at Open House! Please let us know if you have any questions by calling our office at 315-792-5354.

Thank you,

Kendrick W. Morrison
