EDUCATION THAT WORKS
Start here, go far.
MVCC students enjoy a strong support system of faculty, staff, advisors and mentors and graduate with the skills and knowledge needed to succeed at transfer schools or in the workforce.

See how MVCC is education that works for you.
EDUCATION THAT WORKS

...for your WALLET
Quality education at an affordable price. At $4,594, our tuition is among the lowest in New York State, helping you save tuition dollars whether you plan to transfer to a four-year college or jump right into a career. And we will help you pay for your education — the MVCC Foundation awards more than $350,000 in scholarships each year to all types of students.

...for your PATH
Diverse majors in high-demand fields. Dedicated student support advisors help you consider possible careers, explore our programs, and develop your academic plan. We offer one of SUNY’s most comprehensive arrays of academic programs, ranging from Engineering to Culinary Arts, Cybersecurity to Fine Arts, Education, and Healthcare.

...for CAREER and TRANSFER
Explore career options with specialists who can help guide you with tools to plan your education based on your interests. Agreements with four-year colleges and universities make transferring a breeze. Get connected with applied learning opportunities through internships with local industry and business.

... for the full college EXPERIENCE
On-campus housing, a winning athletics program, and active student clubs provide the full college experience. Our small, inclusive campus community is welcoming and supportive of all students, whether you live across the street or across the globe. Small class sizes allow you to get to know your classmates, instructors, and coaches.
MVCC has more than 170 transfer agreements with four-year colleges and universities, and most accept all credits from our programs. Many colleges have scholarships specifically for students transferring from MVCC. Some of our most popular transfer colleges:
