II.19 Use of College Vehicles

Individuals requesting use of a College vehicle or who may be assigned a College vehicle in the course of their job responsibility must possess a valid NYS driver's license for the class of vehicle to be driven and, when necessary, participate in the License Event Notification Service program, and undergo appropriate driver instruction to ensure safe operation of said vehicle(s). The College administration will be responsible for the development of and periodic update of procedures setting forth guidelines to be followed and shall ensure that such procedures are consistent with applicable SUNY requirements.
