(1)The University at Albany does not accept transfer credit for College Foundations Seminar courses.

(2)This course is suggested because it meets a requirement for the major at UAlbany upon transfer.

(3) Students at MVCC must take both AC 115 and AC 116 to receive credit for BACC 211 at UAlbany. Three credits will be applied towards BACC 211, and three credits will be applied as Accounting Elective credit not counting towards the major/minor

(4)These courses must be taken at UAlbany unless completed elsewhere prior to matriculation.

(5)Economics Electives must be at the 300-level or above, including at least 6 credits from among AECO 400-489 or 499Z.

A transfer student admitted to the University at Albany who has completed his/her A.A. or A.S. degree will be given credit for meeting SUNY's General Education requirements.

Transfer students who have not completed both A ECO 110 and 111, or their equivalents, with grades of C or better will not be formally admitted to the major when they enter the University. Transfer students who are not admitted, but who want to major in economics, may declare their intention to major in economics and will be advised by the department as intended majors for one semester. After satisfying the admission criteria, students may be admitted to the major.
