(1) The University at Albany does not accept transfer credit for College Foundations Seminar courses.

(2) This course is suggested because it meets a requirement for the major at UAlbany upon transfer

(3) ACOM 265X is restricted to A-E grading after matriculation at UAlbany.

(4) Communication Electives must be selected with your advisor. 12 of the credits must be at the 300-level or above.

(5) Supporting Courses can be selected from outside of the Department of Communication with advisement, or students may take an additional 3-6 credits of ACOM credits at the 300-level or above.

A transfer student admitted to the University at Albany who has completed his/her A.A. or A.S. degree will be given credit for meeting SUNY's General Education requirements.

Transfer students who have completed at least 3 credits in Communication courses, and a total of at least 6 credits in courses that count towards the major in Communication, will be admitted to the major automatically if their GPA in all transfer courses that count towards the major is 2.00 or higher. All other transfer students seeking admission to the major will have to meet the admissions requirements for matriculated students after they begin coursework on the Albany campus. Transfer students admitted to the major who do not have credit for ACOM 100 or an approved statistics or logic course upon matriculation are still required to complete those courses with grades of C- or better. Transfer students whose grades in those two courses fall below that minimum are subject to being withdrawn from the major, pending an appeal and departmental review, but will automatically be readmitted if and when they meet the requirement.
