

**Advanced Institute for Manufacturing**

# CYBERSECURITY TRAINING SEMINAR

**8:30 a.m.–12:30 p.m. | IT 225 | April 27 | \$249**

Light breakfast and refreshments will be provided.

**52% of all security breaches are due to human error**

**Average cost of a security breach: \$3.7 million**

**Manufacturers are the No. 2 industry most targeted in cyber attacks**

This seminar incorporates real-world scenarios and group exercises so you can learn how to implement cybersecurity best practices at your organization. Learn about what causes most security breaches, the most common threats to your business, and how to stay updated on industry trends to keep your business secure.

## **TOPICS WILL INCLUDE:**

- **Key Cybersecurity Principles**
- **Designing strong policy**
- **Training employees to keep your information secure**
- **Managing paper documents**
- **Disaster recovery**
- **Detection and reaction to social engineering attacks**

Pre-registration is required and seating is limited.

Call **315.624.9800** by **April 21** to reserve your seat today!
