

## YEA! STUDENT NOMINATION PROCESS

We're searching for ambitious, creative, talented and motivated middle and high school students who are excited to learn how to transform a passion and an idea into a REAL business over the course of an academic year. To nominate a student to apply for the Young Entrepreneurs Academy Class of 2021-2022, please follow the easy simple steps below!

### 1. CONSIDER DYNAMIC STUDENTS GREAT FOR THE YEA! PROGRAM

The types of students who excel in the Young Entrepreneurs Academy are highly motivated, driven, creative, thinkers who are excited about new ideas, new opportunities, and are looking to do something big. No business experience is required to be successful in the YEA! program. Often times, our most successful students are those who have a certain passion or talent and are excited to further develop that passion. Other great students are excited by the concept of becoming a business owner.

### 2. COMPLETE & SUBMIT NOMINATION FORM

Complete the YEA! Student Nomination form with all required fields and submit to Program Manager.

### 3. CONFIRM NOMINATED STUDENTS HAVE APPLIED

The students you have nominated will then have the opportunity to apply for the YEA! program. We suggest ensuring that each student you nominate has an application form and fully understands the application process.
