What is a Meal Plan Sick Tray?

A sick tray may be taken back to your Residence Hall room.

How do you use a Meal Plan Sick Tray?

Step 1 - Come in and see the College Nurse, ACC #104.

Step 2 - She will determine after talking with you if she feels you need a sick tray.

Step 3 - She will give you a Sick Tray Card to take to the cafeteria. This will allow a friend to take your food tray out of the cafeteria and bring it to your Residence Hall room.

Step 4 – AFTER HOURS – You can also contact the RA on Duty at X5310 and a Resident Director can also authorize a sick tray card.
