2. Consent Agenda
 - a. Capital Project In-Kind Donation – ATC Project
3. Adjournment

**MOHAWK VALLEY COMMUNITY COLLEGE
Utica and Rome, New York**

MEMORANDUM

July 27, 2026

TO: MVCC Board of Trustees

FROM: Randall J. VanWagoner, Ph.D.
President

SUBJECT: Capital Project In-Kind Donation – ATC Project

I recommend that the Board of Trustees adopt the following resolution:

RESOLVED that the \$1.6 million in-kind donation made by Fabmatics is recognized as part of the overall budget of \$49,280,000 for the Advanced Technology Center project and be it further,

RESOLVED that the College's Administration is authorized to secure required sponsor and SUNY approvals.

BACKGROUND

Program regulations (8 NYCCR §603) require SUNY to obtain documents indicating approvals by the college Trustees, sponsor(s) and State University Trustees for any capital project budget change.

On December 10, 2024, Oneida County issued RFP 2024-403, seeking an automation training center partner. The County received one response to the RFP, the proposal of Fabmatics. Due to the single response received by the County, the RFP was re-issued as RFP 2024-404. No additional responses were received.

Fabmatics proposal identified the total cost of the Automation Training Center project to be \$3.2 million. \$1.6 million of the proposal is a donation of equipment, software, and services by Fabmatics. MVCC Foundation intends to recognize this as an in-kind donation. The donation will provide \$1.6 million in matching funds from New York State and establish the Fabmatics Training Center in front of the new ATC building to help train students to work in the semiconductor industry.
