Previous Meeting Summary

Values moments

- MJ (Model the Way) - Who Made Your Day recognition from Todd Behrendt recognizing Bobby and Sergey.
- Randy (Encourage Excellence) - Dan and Dom sharing stories with Facilities about their efforts and how important it is to our enrollment and community engagement.
- Karey (Encourage Excellence) - Shout out to all who were involved in minimizing deregistration.
- Crystal (Inspire Confidence) - quick moves by facilities and IT to work on sound-proofing her office area.

SUNY Updates (Digital transformation)

- Randy reviewed SUNY's Digital Transformation slide deck.

Phone contract considerations

- Discussed phone contract and determined it makes the most sense right now to renew the current contract for one year.
 - Moving forward, MJ will lead the shared governance conversation about phone use and next steps.

AI Strategy Update

- Randy talked through approach to AI Co-Pilot licensing and related budget planning.
- Randy will bring the list of who has completed AI Agility to our next meeting to discuss who should be among the first Co-Pilot adopters.
- Add AI Strategy to next meeting agenda for additional conversation.
- Alen will connect with Sarah Lam about future marketing of AI Agility.

College Update

- Randy reviewed the items he will be including in his next College Update. He plans to send on Monday 1/26.

Other

- MJ-asked for clarification on additional Reconnect majors. Karey indicated they are working through the process.
- Crystal - provided an update on her office location; also provided an update on LinkedIn recruiter addons that appear to be promising with generating more applicant interest.
- Todd-revisited Outlook calendar invitation conversation and how to approach Commencement. An email invitation versus a calendar invitation makes better sense.
- Randy - Administrators' Meeting next week. Randy will ask Mike to share his retrospective.
