October 20, 2026
Meeting Summary

Excused: Jill

Values Moments

- Todd recognized Gloria Karol for doing such a great job with everything while the President's Office manages a vacancy in the secretary position. Lew shared the feedback from the Assessment Days work and the collaboration and facilitation of the meetings among the Jake, Laura, Adam, and Brad.

SUNY Updates

- Randy, Lew, and Karey reported out on their respective affiliate group meetings from last week and Todd clarified the source of the SUNY interest document the collective impact of the DEI efforts across the system versus any individual campus, as originally understood.

Monthly KPI

- Randy shared the monthly KPI and related measures on how the College maintains accessible educational opportunities.

Cabinet Prep MSCHE Questions

- Randy reviewed the types of questions the Team chair might be inclined to ask during their upcoming visit.

Statement Conversation

- Karey shared the latest update on the work regarding a Freedom of Expression Statement. The group agreed that she should present it at Senate as a 1st reading for endorsement to then be considered at the December Senate meeting.

AI Sense-Making

- Randy will tabled the videos he was going to play for group and will share them via email instead.

Budget

- Randy, Colin, and MJ shared an update on the budget and the group agreed to begin bi-weekly budget meetings for the foreseeable future.
