

Cabinet Summary

July 21, 2026

Excused: Crystal & Todd

Previous Meeting Summary - Jill

Values Moments

- Karey (Encourage Excellence) Student on-boarding (employee) engagement.
- Randy (Inspire Confidence) Recent CRM meeting (progress and engagement).

SUNY Updates

- Lew – provided an update on (high demand-high cost) program reporting requirements.
- Randy – revisited the SUNY Leadership Academy participants. **Randy will send Jill his information on the program content and annual schedule. Jill will extend and invitation to Amanda.**

SUNY Poly & Oneonta Agenda Items

- Discussed potential agenda items for upcoming meetings.
- SUNY Poly – review the Path to Poly data; Reverse Transfer.
- Oneonta – student bus trip; Data Report from SUNY.
- **Send any additional items/thoughts to Randy.**

AACC PASI

- Randy reviewed his recent AACC Presidents Institute experience.
- May inform the agenda for a spring 2027 off-site (second after new VP is hired) - a deeper dive into (personal) values that influence work.

Annual Plan Prep

- Revisited notes from the June retreat to confirm the point people/leads for each item.
- **Randy will bring the AI Governance Charter to next week's Cabinet meeting.**

SHN Alumni Reunion

- Randy distributed an impact document and shared his idea of an SHN (MVCC) alumni network that would coincide with the January virtual colloquium.

Reconnect Funding Change

- Karey reviewed changes to the funding structure based on needs that were identified during the first year.

- Alen suggested utilizing (Reconnect) Marketing dollars differently to accommodate Student Affairs needs. Consider an additional ask for SUNY Marketing dollars.

Other

- MJ – provided an update on reconciliations.
- Karey – provided an update on WellNow pilot for students and employees with an anticipated late fall (or spring) opening. She is looking into a temporary fall solution; Discussed Utica University partnerships.
- Alen – working on dashboard for KPIs and Annual Plan. Discussed making it public facing on the website. No immediate concerns were identified.
- Randy – shared an update on a MSCHE meeting later this week regarding their new AI Hub pilot.
