

Cabinet Summary August 15, 2023

Excused: Alen

- Began with Todd's 10 years of service recognition.

Artificial Intelligence conversation

- MJ and Jake joined the meeting to share their experience(s) and thoughts on AI.
- From an IT perspective they are waiting to understand what the needs are in order to make policies and procedures to make it safe for the College community's use.
- Jake shared issues/concerns:
 - Algorithmic accountability
 - Equity
 - Unpredictability in responses
 - Lacks forward-looking aspect (based on historical evidence).
- **Randy will indicate (during Fall Opening) there will be opportunities throughout the academic year for sense-making conversations.**
- Consider a brown-bag lunch series as an opportunity for ongoing conversation.

Previous meeting summary - Jill

Values moments

- Tom (Inspire Confidence) - Business Office (purchasing) transition and Georgia Jahdon's assistance and support.
- Jill (Inspire Confidence)-Nadine Otis-Swiger's leadership in chairing the Staff Accountant screening committee.
