

Cabinet Summary September 21, 2021

Present: All

Values

- Todd - (Inspire Confidence) had a student approach him regarding mentoring.
- Alen – Student back on campus – lovely!
- Steph - Maureen Erickson making an apple crisp using Steph's apples!

Previous meeting summary – Randy

Campus closing procedures

- Reviewed closing procedures for winter/spring.
- If/when we close, everything is closed (including remote classes).
- **Alen will update the closing procedures based on discussion and distribute to Cabinet for additional proofing/edits.**

Virtual Support Center

- Discussed virtual support center model.
- Will need to pull key stakeholders into the conversation to understand scope and audience. Then determine necessity and next steps.
- Alen suggested using the MY MV Ellucian portal. Randy will check with MJ on timing.

December graduation

- Preference is to have an in-person graduation that will likely be a vax only event.
 - Perhaps with a hybrid offering for programs that are exclusively (fully) online
- Too early to determine. **Jill will follow up with Bill/events.**
- Revisit later in the fall.

College Works

- Will require (full) vaccinations by November 8. **Steph will communicate.**
- FYI - November 4 is the deadline for continuing students for vaccination.

thINCubator

- Will not require vaccinations for users of thINC as it is a separate entity and leased/funded by the Foundation. Masks still required.

COVID mitigation review

- Mitigation levels should remain as is for now.
- Steph provided an update on testing and vax portal challenges. **She will provide Randy with a paragraph outlining student code of conduct and relative actions/procedures.**
- Will resume Thursday COVID meetings to review meetings, events, etc.
- Alen will update website with visitor information.
- **Crystal will get an email out to supervisors regarding employee (off-site) testing.**

- Randy will follow will the College Update.
- ConMed/Cree follow-up
 - No problem with Conmed.
 - Cree is working with their legal team to understand implications. Ok to proceed with Cree (4-6 people) for the fall with private testing and results provided on Mondays. **Franca will coordinate with Cory and their training coordinator. Franca will continue to provide updates.**
- Alen – County Contact Tracing Deadline indicates the College will send notifications to the College community. **Alen will take the SUNY dashboard info off of website (doesn't appear to be updated info). Will continue to send notifications to campus community.**

Other

- Randy – Conversation with the Board re: APA 2-year extension (with same salary increases as last contract).
