DOES

Task	Action
Develop and maintain a framework for dialogue on the future	Develop & Maintain
Continually scan the environment for future innovation to consider and promote within the College	Scan & Promote
Engage MVCC Community in discussions on the future	Engage
Support and magnify innovative practices and promote them within the College	Support & Magnify
Integrate Strategic Horizon Network learning into our daily work	Integrate
Make recommendations to Cabinet, Grants Council, and SPC as appropriate	Recommend

DOES NOT

- Feel constrained by realities of today
- Adopt a scarcity mindset
- Assume the future will be a linear extrapolation of the present

GUIDING POINTS

- Consider ways to connect with Strategic Horizon Network colleges
- Be creative
- Be productively paranoid
- Maintain a mindset of abundance
- Consider engaging others through subcommittees, task forces, and workgroups
