

MVCC 2012 GRADUATE FOLLOW-UP SURVEY

This report summarizes the results of Mohawk Valley Community College's Graduate Survey.

There were 937 graduates (Aug '10, Dec '10 and May '11), who received a total of 978 degrees. This report was prepared in the Spring of 2014 by the Office of Institutional Research and Analysis.

Notes:

- 1) The survey was sent out by mail in May and again in June 2011. Telephone calls were made in August 2011 to try to encourage more graduates to respond. The survey did not reach 24 of the graduates (24 due to incorrect addresses/phone numbers).
- 2) The term "Respondent" does not necessarily indicate someone who actually filled out a questionnaire. The information actually comes from three sources:
 - a) There were 194 survey returns, including the information received via telephone calls (20.7% return rate).
 - b) SUNY-generated files to track transfer students.
 - c) Websites for certifications used to verify status.

Data in question 11 includes 303 additional students who were tracked in this fashion.

- 3) The list of employers in Part 2 only includes those of students in "related" occupations, although the salary is the median of all those who volunteered their income. An asterisk (*) in the salary information indicates that fewer than three graduates reported their annual salary.
- 4) Percentages are based solely on non-blank values.

Comments

Ability to take classes on-line

All of the teachers were experienced in the field.

At first I was a Politica Science major and I adored the profesors I had. They were not only knowledgable but had experience in the field.

At MVCC I was a Chemical Dependency major. I tranferred to Syracuse University as a Social Work major. I loved MVCC and my only complaint is that it was a 4 year college! I loved my major, my classwork and my teachers! MVCC prepared me very well for a 4-y

Everything was excellent.

I appreciated the way the educators were involved with the class. They took the time, when necessary to see that the class participants who needed/wanted help and extra assistance were given the means to pursue such help as available.

I enjoy having professors who were working in my related field. Their experiences help to better my knowledge.

I enjoyed the flexibility of my major, as I was enrolled in Liberal Arts: General Studies. This enabled me to try out courses from several fields of study to see what I would enjoy to pursue in my academic field.

I got to take a variety of different classes that applied to my everyday life along w/ helping me further my education.

I have attended MVCC during the '70s, '80s, '90s and 2010-11. I have also had the opportunity to graduate from a private 4-year school and law school. The education received at MVCC ranks with the best. Thank You!

I have no complaints about my major and/or the courses for it. The major fits me very well so I enjoyed it all.

I invested more knowledge that related to human services, mental process and different behaviors that I did not know before. I became more reasonable and tried to understand other people, it also helped me deal with people better. I want to thank MVCC

I LIKED THAT MANY COURSES WERE OFFERED ONLINE.

I liked the diversity of classes in the General Studies major. I learned things from a lot of classes that I never would have taken if I didn't have to, and I'm happy about that.

I liked the material covered in class along with the help of the instructors. I feel MVCC is an excellent learning environment and if MVCC was a four year institute I would have stayed.

I liked the professors that taught the coursed for this major. Most of them were very knowledgeable about the courses they were teaching.

I was able to be employed from the sight of my internship.

It allowed me to work with others and in different environments, it also allowed me to obtain certifications that will help me as i continue towards my future goals.

It transferred easily to my four year college.

MVCC Respiratory Care Program was extremely intense but I understand why it needs to be but it was a very good program. I love my job and what I do to help patients. MVCC prepared me for Respiratory Therapy very well.

My instructors were excellent. They were all very enthusiastic & optimistic in their instruction.
