# Assessment

## *It's Not Going Away!*

- Every Standard has a Criteria about assessment
- Two Standards with particular focus on assessment - Standard V and Standard VI

# Standard V: Educational Effectiveness Assessment

Assessment of student learning and achievement demonstrates that the institution's students have accomplished educational goals consistent with:

- their program of study,
- degree level,
- the institution's Mission,
- and appropriate expectations for institutions of higher education

# Standard V Criteria

## Focus on:

- College-wide Competencies
- Program Learning Goals/Outcomes
- Organized, sustained assessment processes
- Conducted by faculty, qualified professionals
- Assessment results used to inform planning and budgeting
- Assessment results used for improvement (pedagogy, curriculum, student learning)

# Standard VI: Planning, Resources, and Institutional Improvement

The institution's planning processes, resources, and structures are:

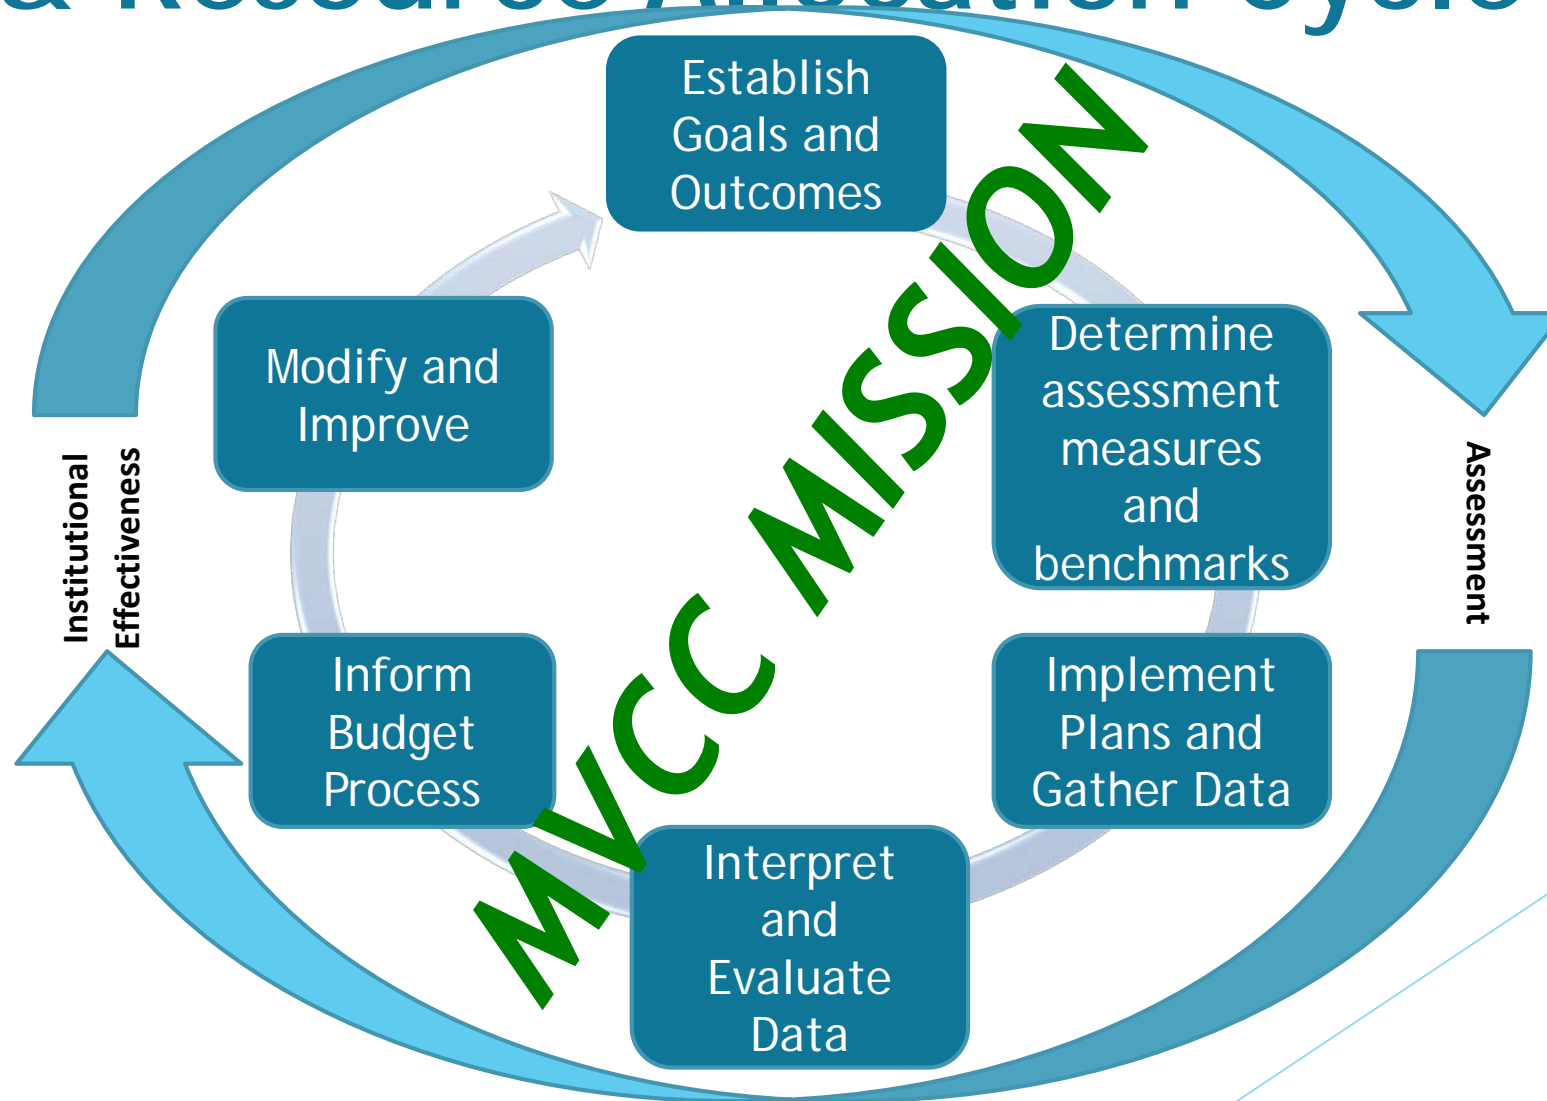

- aligned with each other
- **sufficient to fulfill its mission and goals**
- used to continuously assess and improve its programs and services
- **respond effectively to opportunities and challenges**

# Standard VI Criteria

## Focus on:

- Institutional-wide objectives
- Unit goals/objectives
- Objectives linked to Mission and Strategic Goals
- Objectives assessed appropriately
- Assessment results used to inform planning and budgeting
- Assessment results used for improvement (planning, budgeting, institutional effectiveness)

# Strategic Planning, Assessment & Resource Allocation Cycle

# College Senate Assessment

- New display
- Additional objectives to reflect current work
- Needs review/revision and approval by Senate
