### 2019 Jumpstart Bridge Program—July 8—August 9, 2019

#### **MVCC Summer Jumpstart Program Rules and Regulations**

MVCC's five-week Jumpstart program provides participants the following at no-cost:

- Tuition for up to five (5) credit hours of coursework
- Extensive tutoring and other student supports
- Necessary books and supplies
- Teamwork skills
- Participant stipend of up to \$550

In addition to the regulations outlined in MVCC's Student Handbook, students participating in the Jumpstart Program are expected to adhere to the following:

#### **A. Classes**

Jumpstart students will be registered for up to five (5) college credit hours prior to the start of the program. Classes will meet Mondays through Thursdays with team building activities on Fridays for five consecutive weeks. Class attendance and completion of all assignments is necessary to remain in the program. Students who have two or more unexcused absences from class will be asked to leave the program. Participants' stipends will be decreased by \$50 per missed class including excused absences.

The Jumpstart program will purchase textbooks and all class materials. Students are responsible for bringing these materials to class daily and to be punctual for instruction. Participants' stipends will be decreased by \$25 per class tardy.

#### **B. Pass/Fail**

Every student must pass their classes with a "C" or better. All students receiving below average marks (D--less than acceptable; N—no grade; F--failing grade; or I—incomplete) will receive a reduced stipend amount.

#### **C. Tutoring/Supplemental Instruction**

Tutoring and supplemental instruction will be mandatory for all Jumpstart students. Jumpstart students will attend this additional instruction Mondays through Thursdays. These times are included in the daily schedule.
