Why do you want to attend this conference and what does it mean to you to represent our chapter there?

If you are a continuing member, what chapter activities have you been involved with? If you are a new member, how do you plan to be involved in future chapter activities?

2018 Fall PTK Regional Honors Conference

The New York Regional Honors Conference is an opportunity to meet students from chapters all over New York State and to learn more about the hallmarks and opportunities within Phi Theta Kappa. This conference in particular will focus on the Honors Study Topic in addition to leadership development. Students will hear speakers, attend workshops, and enjoy fellowship events together.

The Regional Honors Conference is being hosted by Westchester Community College at the Crowne Plaza in White Plains, NY, October 12-14th!

Students are required to pay a \$20 non-refundable deposit toward their conference.

We will be traveling by chartered coach leaving at 12noon on the 12th and returning in the later afternoon on the 14th. You are responsible for being ready to leave the Utica campus at the designated time. Coach travel, all meals, and hotel accommodations (triple or quad room) are included. Students are required to pay a \$20 non-refundable deposit toward their trip.

As you will be representing MVCC and our chapter, your attire should reflect that (jeans/khakis and sweater/polo shirt/dress shirt, etc.). We will wear our MVCC chapter shirts on Friday night of the conference.

The convention activities start around 8:30am and end with a social that runs 9pm-11pm. You are expected to participate in all activities and at least the first hour of the social. There will also be opportunities to explore the area near the hotel on Saturday.

All PTK events are drug and alcohol free. You will be asked to sign a code of conduct and provide some emergency medical information prior to leaving on the trip. It is also your responsibility to work with you instructors about any classes or assignments you will miss for this trip. Students will be asked to write and/or share about their trip experience with the chapter upon returning to campus.
