2018 Spring PTK Regional Convention

The New York Regional Convention is an opportunity to meet students from chapters all over New York State and to learn more about the hallmarks and opportunities within Phi Theta Kappa. Students will hear speakers, attend workshops, enjoy fellowship events, and have the opportunity to run for regional officer.

We currently have one MVCC student serving as regional officer who was elected last year at the convention. If you are considering running for an office in our chapter for the 18-19 year attending the convention is not necessary but can be a great way to learn more about PTK.

Additionally, chapters receive awards for their work in 2017.

The Regional Convention will be held at the Danfords Hotel in Long Island, NY, March 2-4th!

We will be traveling by chartered coach leaving at 11am on the 2nd and returning in the afternoon on the 4th. You are responsible for being ready to leave the Utica campus at the designated time. Coach travel, all meals, and hotel accommodations (triple or quad room) are included. Students are required to pay a \$20 non-refundable deposit toward their trip.

As you will be representing MVCC and our chapter, your attire should reflect that (jeans/khakis and sweater/polo shirt/dress shirt, etc.). We will wear our MVCC chapter shirts on Friday night of the conference.

The convention activities start around 8:30am and end with a social that runs 9pm-1am. You are expected to participate in all activities and at least the first hour of the social. On Saturday night everyone will be attending a play together. There will also be opportunities to explore the Port Jefferson area near the hotel.

All PTK events are drug and alcohol free. You will be asked to sign a code of conduct and provide some emergency medical information prior to leaving on the trip. It is also your responsibility to work with your instructors about any classes or assignments you will miss for this trip. Students will be asked to write and/or share about their trip experience with the chapter upon returning to campus.
