

## **Cabinet Summary October 31, 2017**

Present: all

### IT/Google Apps – Paul

- Provided a number of recommendations for Cabinet consideration with regard to Cloud computing.
- Also considered design team membership to work on next steps.
- **Paul will return on November 28 with a charter draft.**

### Sharing technology – Franca

- Paul suggested Franca talk to Karen Dean about a Hotspot for use at DFAS.

### Previous meeting summary – Jill

- **3 VPs will meet to review the fees with regard to refund policy.**

### Values

- Maryrose (Title III program update)
- Randy (Erie Canal program and events)
- Alen (internship)

### Micro-credentialing – Franca and Maryrose

- SUNY released a white paper on what qualifies.
- MVCC micro-credentials will be micro-certificates. There are about ten recommendations moving forward.

### Other

- Franca – consider micro-creds in the next round of PIFs; Rome City Schools interested in a P-tech partnership with MVCC.
- Jill – Eat local dinner reminder.
- Kim – new HR assistant started yesterday (Amanda Roy-Small); APA negotiations update.
- Alen – asked for clarification on what should be press released from Board actions: new appointments (including non-academic promos/different job).
- Randy – NYSUT luncheon update; Dual credit update; question about policy regarding facilities and political tone.
