

Cabinet Summary November 28, 2017

Excused: Kim (vacation)

Enrollment Management Council

- Jen DeWeerth provided an update on EMC.
- Conversations on the council include:
 - Hybrid courses and potential (growth) impact to enrollment.
 - Madison County, Morrisville, and Rome Campus.
 - Data “floor” – where to go back to for comparison-sake.
 - Increased graduation rate and impact to (decrease in) retention rates and the difficulty in addressing efforts to move it.
- Also discussed next year’s approach to dual credit.

Previous meeting summary – Jill

Values moment

- Tom (Mark Montgomery visit to administrative services supervisors’ group) & Randy (women’s basketball game with Corning).

Ajar coverage – Randy

- Maryrose, Lew, David are all available to cover. **Cabinet will determine days and responsibility.**
- Rome will be open for tractor trailer and College Works.

Naming (roads & parking lots) – Tom

- A revisit from last year and process moving forward.
- Names should reflect geographical markers on campus.
- **Tom & Chief will coordinate with Oneida County 911 to determine what is best and will return to Cabinet with a recommendation.**

Climate Survey follow-up

- Discussed timing.

Cabinet half-day agenda

- December 12 from 8-11 a.m.
 - Guided pathways
 - Randy’s Chapter 4
 - Budget and plan priorities and process (Cabinet members should come with a list of their priorities)

Other

- Alen – website RFP: would like feedback from key stakeholders (Paul, Joyce)
- Jill – Sodexo
- Stephanie – NY Alert (how to get people to register).
