

Cabinet Summary

July 17, 2018

Excused: Randy (JFF), Kim (HR conflict), Tom (sick)

Previous meeting summary

- PE 154 conversation – Reviewed past conversations including consideration of a waiver for student use. **Lew will connect with Gary to discuss and get back to us.**

Values moment – none for the week. Feeling good about summer mode!

Pool water testing

- Franca provided background to Lew on earlier conversation regarding pool water testing.
- Franca suggested/offered the CCED lifeguards, but needed to know how soon before the start of class the water needs to be tested. **Lew believes it is 30-60 minutes, but will confirm with Gary.**
- **Lew will also suggest looking into an automatic testing option.**

Other

- Stephanie – asked about timing of Bellevue candidates. **Kim – will you please provide the deadline as the remainder of summer Cabinet meeting are sporadic with vacations, etc.**
- Franca – has been asked to purchase sweatshirts for P-tech cohort. She needs about \$700 to do so. Moving forward we should identify a budget line; Franca also provided an update on Rome fitness center usage.
