

Cabinet Summary January 5, 2016

Present: all

Applied Learning – Lew and Jim Maio

- Provided an update: They have presented to Senate and faculty caucus; Plan to hold open sessions for faculty.
- Report will be coming to Cabinet for review.
- Will also engage (eventually) the community and investigate the feasibility to sustain applied learning requirements.

Previous meeting summary – Jill

SUNY Updates

- Maryrose & Franca – micro-credential update for UAD program.
- Tom – SUNY minimum wage increase to \$15. CC will be determined by local boards. However, community colleges will be strongly encouraged to participate.
- Randy – State of the University address on Monday. GAP performance report submitted to SUNY – may come back around through SUNY.

Retreat agenda – Randy

- Redesigning CC – 3 takeaways.
- Budget
- Veterans' tuition
- Strengths and how you will use them in the next semester
- Climate survey

Other

- Franca – received plane (foundation)! Received manufacturing training center grant (575K per year for 5 years) – will be located at the thINCubator and will serve six counties; Turning Stone will be a site to offer ESL training (through a grant); provided a construction update.
- Kim – Arbitration update.
- Tom – budget request memo has gone out with minimal changes to deadlines.
- Steph – reviewed staffing changes in her area.
- Matt – update on the (college) website changes. Asked that Cabinet and reporting areas make a final review (design) and let Matt know of any changes a.s.a.p.
- Maryrose – will begin regular PGP report outs at future Cabinet meetings. The learning commons is in the final design stages.
