

Cabinet Summary
April 5, 2016

Present: all

Budget/annual plan – all

- The first hour of the meeting was dedicated to budget discussion.

SOAR update - Stephanie

- Provided an update on the review of SOAR. Will be looking at data to determine next steps and should have more direction by the end of the week.

SUNY Updates

- Tom – participated in the SUNY budget conference call yesterday.

Other

- Randy – Revisited Leadership Academy (new) participants; Discussed next year's Core workshop – potential topic: cultural competency.
- Jill – Board materials this Friday. (Randy and Jill) also talked about upcoming program updates (Career office in May). Discussed date for Board meeting in Rome – November.
- Maryrose – has completed four open sessions for the academic redesign – so far a lot of good feedback and ideas. She asked for suggestions on how to communicate the final version (when complete) to the College community.
- Kim – provided a personnel update.
- Randy – provided an update on potential partnership with elementary schools in the city of Utica that will also provide service learning opportunities for our own students.
