

## **Cabinet Summary September 13, 2016**

Excused: Randy (SUNY Board meeting), Matt (vacation)

### HR software – Kim & Paul

- Provided information on a software option (Cornerstone) that will replace People Admin. Some of its options include:
  - Dashboard feature.
  - More robust reporting options vs. 4 with People Admin.
  - Strong onboarding features.
  - Social media interface.
- Annual fee is approximately 5,000 less a year than People Admin. Start-up/implementation costs are approximately 30k.
- Paul is confident IT has the capacity to implement and manage the software and he will involve staff with sustainability in mind.
- Project will begin as soon as October 1.
- Discussed budgetary requirements, long-term implications and potential savings.

### College Works – Steph

- Provided a brief update on a Title IX case and the impending decision and implications. Steph will have conversation with the College Works coordinator to discuss procedure. **Steph will keep Cabinet apprised of the situation. If necessary, Cabinet may also connect on 9/20 ahead of the Admin meeting.**

### Council for off-site academic programming – Maryrose

- Distributed draft council charter and discussed membership.

### Other – all

- Kim – AMVA negotiations update. UPSEU health coverage update.
- Jill – Board materials this morning, please!
