Discussion Topics:

Summer Institute / Update of general agenda –

- Call for workshop proposals will be sent out the week of March 19th
- Summer Institute is scheduled for May 15 and May 16th with a Bonus Day 5/17
- There will be a plenary on ‘Implicit Bias’ by Sam Sommers from Tufts University – discussed live streaming to Rome Campus and share link through Workplace
- Possibly try to offer a ‘Sharing Stories’ institute session since it is no longer part of NFI and many seemed to enjoy it

CCCAT Update – Conference will be held on April 20th. Vice President for Learning and Academic Affairs will send out an invitation to the campus week of March 19th for people to register. Conference fees for those interested in attending are covered.

Great Teachers Seminar – will be happening May 17th. Brandon Shaw has sent out a Save the Date on this and registration information will follow from Anna Radlowski & Christine Miller in the coming month

Active Shooter Awareness Training – Following a long discussion in the College Senate, there is a need to continue the Active Shooter Awareness Training at least once a year. Active Shooter will be offered at Summer Institute and HR will communicate this training to all new hires to the college since last Summer Institute when this specific training was offered last.

Council discussed the need to expand upon Active Shooter training by possibly additional workshop sessions at future Institutes regarding what the College institution as a whole does, or is doing, to train/prepare/communicate for a potential active shooter or other catastrophic event.

NFI Update – Everything is going well.

Survey results / group discussion – results will be emailed to entire group to discuss at future Council meeting and determine if any follow up with the college community is needed.

Adjourned

Respectfully submitted,
Gloria Karol
